1. The reply filed on 2/10/06 is non-compliant because of the following omission(s) or matter(s). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Applicant should note that amendments which are non-compliant are NOT entered in the application. Since the claim amendments filed 11/28/05 were non-compliant, these amendments were NOT entered in the application.

Accordingly, the amendment filed 2/10/06 does not include proper status identifiers or proper notations for additions/deletions for certain claims. For example, claim 3 is identified in the amendment of 2/10/06 as being "previously presented" and the changes to the claim are not appropriately noted using underlining or strike-through. However, this claim should be identified as "currently amended" since it is being amended relative to the copy of claims currently of record (the originally filed claims) and the changes should be highlighted accordingly. Likewise for claims 23-29 and 31.

In order to satisfy the compliance requirement, applicant should submit a new and complete copy of the claims showing

Application/Control Number: 10/773,952

Art Unit: 2872

proper status identifiers and changes relative to the copy of claims currently of record (the originally filed claims).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Robinson whose telephone number is (571) 272-2319.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Drew Dunn, can be reached at (571) 272-2312. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571) 272-2800.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on
